**ORDER DISMISSING PETITION
FOR MODICATION OF DECISION 99-06-058**

Upon written request of Petitioner, the Petition of Southern California Edison Company (SCE) (U 338-E) for Modification of Decision (D.) 99-06-058, filed January 25, 2001, is dismissed.

D.99-06-058 required SCE to pay Power Exchange (PX) Energy Credits to energy service providers and direct access customers. In January 2001, SCE petitioned to modify D.99-06-058 to suspend the payments. In D.03-08-061, we found reasonable the direct access credit methods used by SCE since the demise of the PX (in January 2001) and approved bottoms-up billing for direct access customers. D.03-08-061 rendered moot the Petition to Modify D.99-06-058. Through inadvertence D.03-08-061 failed to dismiss the Petition.

Waiver of Comment Period

This is an uncontested matter in which the decision grants the relief requested. Accordingly, pursuant to Pub. Util. Code § 311(g)(2), the otherwise applicable 30-day period for public review and comment is being waived.
